## Personal Property Tax Relief Act Information

The 2005 General Assembly capped the total cost of car tax relief for the Commonwealth of Virginia at \$950 million. Each locality's share of the \$950 million is based upon car tax relief reimbursements from the Commonwealth to the locality for tax year 2004. These funds are allocated to provide tax relief for qualifying vehicles in the City of Lynchburg. The amount of car tax relief is based upon total dollars from the Commonwealth divided by the total value of all qualifying vehicles in the City of Lynchburg. Please contact the Commissioner of the Revenue, 434-455-3870 if you have any specific questions regarding tax relief.

## Public Tax Notice Personal Property Tax Relief Changes

In accordance with the changes by the 2005 General Assembly, delinquent taxes for the years 2000-2005 that remain unpaid as of **September 1, 2006** will require **100 percent** of the original tax to be paid by the **CITIZEN**. Pay now to avoid paying higher taxes later.

\* Reimbursement from the Commonwealth of Virginia may be depleted prior to Sept. 1, 2006, at which time the citizen would be responsible for 100 percent of the tax.

## Delinquent Tax Collection

Failure to pay by the due date will result in further collection action. A Tax Lien will be placed immediately following the due date. The Tax Lien will include an administrative fee of \$30.00. Failure to pay in full will result in vehicle registration withholding through the Department of Motor Vehicles. Vehicle registration withholding will include a minimum fee of \$50.00. A vehicle registration withholding may already exist on this account.
